FOR LMS
INTEGRATION

Support students undertaking skills training in Australia's largest and fastest growing industry

The Certificate III in Health Services Assistance and Certificate III in Allied Health Assistance are nationally recognised qualifications reflecting the roles of a variety of workers who provide support and assistance to health professionals.

The skills and knowledge required are detailed throughout each learner guide, with many opportunities for the student to self-assess and reflect on topics learned.

- › Applies theoretical concepts to practical real-life experiences that reflect the range of occupations in allied health and health services
- › Activities throughout the learning content help students extend their skills and knowledge
- › Assessor support packs include:
 - Comprehensive assessments
 - Detailed mapping guides
 - PowerPoint presentations
 - Marking guides and more
