# FSK FOUNDATION SKILLS

*The Foundation Skills training package supports the development of essential core skills including language, literacy, numeracy and employability skills that are required to enter the workforce or further vocational pathways.*

*Aspire's comprehensive range of Foundation Skills resources are written to the appropriate Australian Qualification Framework (AQF) level for the qualification in which it sits, and is also designed to support learners with LLN needs.*

## Learner guides

- Available in **print**, **eBook** and **online** formats
- Printed in full colour
- Includes learning content that is presented in a story-based structure with examples to demonstrate concepts
- Includes QR codes linking to video clips
- Has space for learners to record their responses
- Incorporates a variety of tasks for the learner to practise what they have learnt
- Includes summaries at the end of each topic.

## Trainer's and assessors guide including Assessment resource (TAG-ARs)

- TAG-ARs match each learner guide
- Fully customisable product to suit your specific needs
- Wide variety of formative and summative assessments
- Benchmark solutions for the assessments
- Mapping of learning content and formative & summative assessment to the unit of competency
- Forms and templates to assist with validation
- Glossary of relevant terms
- Purchase online then download immediately.

## Online learning resources

- Follows sound learning pedagogy
- Matches the print resources, allowing for simpler preparation and blended delivery
- A wide variety of interactive features
- Includes activities and videos
- Content options to suit most LMS's
- Developed to be responsive on mobile devices.

## eBooks

- Download to any device
- Accessible **online** and **offline** – ideal for regional and international students
- They're interactive: add notes, bookmark pages and highlight sections
- Built-in dictionary function
- Keep in contact with your students through the social collaboration option.
