

# NEW VIDEO SOLUTIONS FOR THE RESIDENTIAL AND HOME CARE SECTOR

Developed by Altura Learning  
Supported by Aspire Learning Resources

Engage your students with high quality videos that reflect real life scenarios within residential and home aged care environments.

Altura Learning videos:

- » support Aspire's Community Services Learner Guides and Assessment Support Packs
- » can be used in the classroom, online or in a blended approach
- » are mapped to units of competency from the CHC Community Services and HLT Health Training Packages
- » are frequently updated to reflect best practice standards
